

## Compilation of Smoke-Free Housing Toolkits

### Government Agencies:

- Department of Housing and Urban Development, Office of Lead Hazard Control and Healthy Homes, *Change is in the Air: An Action Guide for Establishing Smoke-Free Public Housing and Multifamily Properties* (Oct. 2014): The purpose of this guide is to encourage public housing agencies and owners/agents of subsidized or market rate multifamily housing to adopt smoke-free policies. The guide addresses common questions and concerns public housing agencies and owners/agents have about smoke-free policies.  
<http://portal.hud.gov/hudportal/documents/huddoc?id=SMOKEFREEACTIONGUIDE.PDF>
- Department of Housing and Urban Development, *Smoke Free Housing: A Toolkit for Owners/Management Agents of Federally Assisted Public and Multi-Family Housing* (June 2012): Toolkit includes HUD's guidance to public housing authorities and multifamily housing owners/managers, such as: a guide to implementing no-smoking policies, a sample resident survey, frequently asked questions, and other useful resources.  
<http://portal.hud.gov/hudportal/documents/huddoc?id=pdfowners.pdf>
- Department of Housing and Urban Development, *Smoke Free Housing: A Toolkit for Residents of Federally Assisted Public and Multi-Family Housing* (June 2012): Toolkit includes a going smoke-free guide, a home smoke-free pledge kit, and addition education materials about second-hand smoke.  
<http://portal.hud.gov/hudportal/documents/huddoc?id=pdfresidents.pdf>
- Department of Health and Human Services, Centers for Disease Control and Prevention, *Healthy Homes Manual: Smoke-Free Policies in Multiunit Housing*: Designed for state and local Healthy Homes programs that are working to reduce second hand smoke exposure in multiunit housing. It provides field-tested strategies, recommendations, best practices and tools. The content draws on peer-reviewed research and interviews with practitioners.

### **Non-Government Organizations:**

- Tobacco Control Legal Consortium, *Regulating Smoking in Multi-Unit Housing* (Dec. 2013): Series of legal technical assistance to serve as a starting point for organizations interested in implementing certain tobacco control measures. The tips and tools included in this guidance touch upon second hand smoke in the home, policy benefits, and elements of effective policies. It also provides examples of select policies (policies designed for landlords to use to create smoke-free lease provisions and policies that have been adopted in certain locations).
